

# Indiana ODP Progression

Regional and  
National Team/  
Events

National Camps and Interregional events are held throughout the year at various locations in the United States. The National Team Coach or a National Staff Coach and Regional Staff is present at these events to observe, train, and identify players for placement in the national pool or on a national team.

Midwest ID Camp

The residential ODP Midwest ID Camp is a unique opportunity for invited players to train and compete with the top players in the Midwest and be trained by high level licensed coaches, including exposure to college coaches for the next level. Players will also have the opportunity to be identified for future ODP Midwest events.

ODP State Team

The Top players in each group will be chosen by the ODP Staff. These teams will compete in the Midwest Region Sub Regional.

ODP State Pool

A player can be invited into the state pool from a member of the Indiana ODP Staff, a club DOC or through the tryout process.

ODP Tryouts

A player can choose to come and try out for Indiana ODP or a player can be identified by an IN ODP staff member. A player may also be identified at an IDP district training session.
