

COMPETITION REPORT 2020-2021 – George Perry III, ISL Commissioner

Indiana Soccer League continues to grow its product. Number one on the list is to work with the clubs to grow and maintain our referee pool. We have implemented a small-sided referee course this past year and will be adding a Club AR (assistant referee) certificate this spring. We will be working with the Referee Committee to grow opportunities for mentoring new referees to assist them in their development.

GLC/MWC – Great Lakes Conference/Midwest Conference – two of USYS’s 13 conferences

ISL - Indiana Soccer League – Statewide League – Premier, 1st, 2nd, 3rd, 4th, 10U & 8U
