

Indiana Soccer League Book of Reports AGM February 2023, Spring 2022 – Fall 2022 – George Perry, Commissioner

Indiana Soccer League continues to realize growth in participation. The number one challenge related to this growth is growing the referee pool adequately. To address the current referee shortage, Indiana Soccer implemented a small-sided referee course this past year and will be adding a Club AR (assistant referee) certificate this spring. We will be working with the Referee Committee to increase opportunities for mentoring new referees to assist them in their development.

The Indiana Soccer competitive landscape consists of the following:

- GLC/MWC – Great Lakes Conference/Midwest Conference – two of USYS’s 13 conferences
- ISL - Indiana Soccer League – Statewide League – Premier, 1st, 2nd, 3rd, 4th, 10U & 8U
- ISA – CNC – Indiana Soccer Association Central North Conference (8U-10U Indianapolis area play group, self-administrated)
- ECIYSL – East Central Indiana Youth Soccer League (a select or Rec+ league administrated by ISL Commissioner)
