

District Training Walk-Ups

Indiana Development Program (IDP) cannot allow walk-ups at this time. This is clearly stated on the IDP District training website page. The registration process is mandatory for several reasons. They are as follows:

- 1) Indiana Soccer IDP registrants/players must have a waiver signed online for a player to participate. This is necessary because of medical and liability insurance. This is for the protection of everyone involved including and not limited to players, parents, and staff. The only way to sign this waiver online is to register.
- 2) Coaches cannot collect payments on site. Because IDP has training sessions spread throughout the state (on many different dates), and because we have various coaches from different locations doing the training, there is no way to get the money collected, registration checked, and shirts distributed in a timely manner allowing the coaching staff to just coach.
- 3) Shirts are mailed to the sites ahead of time (5 days before the session) meaning those not registered would not be able to receive a shirt.

If you have any questions/concerns about this policy, please feel free to contact IDP Administrator Georgi Emenhiser. She can be reached: georgi.emenhiser@soccerindiana.org or via phone during weekday business hours at 317-975-2007.
