

Indiana Adult Soccer 2022-2023

John Mitchell

Adult Commissioner

2022 saw adult soccer return to close to pre pandemic levels of participation. The Region II Tournament of Champions was held in Illinois. Indiana had four representatives participate. All four were from the Fort Wayne Sport Club. Due to tornadoes and torrential rains the event was cancelled.

USASA's Annual General Meeting was held in Denver Colorado. John Motta was re-elected President. Region II elected Klarissa Richardson as Deputy Director.

2023 brought new challenges as well as opportunities. CIASA decided to leave Indiana Soccer and affiliated with US Club Soccer. Since this occurrence, their board of directors has been replaced. Indiana Soccer has been in meetings with CIASA to rejoin in the Spring of 2024.

In March of 2023 Kentucky withdrew from hosting the July Tournament of Champions for Region II. Fort Wayne Sport Club stepped up with an offer to host. With short notice the club did an excellent job. It was done professionally with excellent volunteers. The Region added Over 50 to this event for the first time. Indiana provided two teams. Fort Wayne will host the TOC in 2024 and 2025.

The Lauren Holiday Cup was played the same weekend as the Youth Finals. The Women's White from CIWSL were crowned champions. We disappointingly did not receive enough interest to hold a Men's event.
