### Risk Management

**Safe Sports Act – Indiana Soccer continues working with member clubs to comply with federal law requiring adult education that complies with the Safe Sports Act.** Indiana Soccer continues to work with our national governing body that requires the Safe Sports courses for all coaches and managers and club officials.

**Background Checks** – JD Palentine continues to provide the background checks for Indiana Soccer member participation. Approximately 4,151 new background checks were performed this fiscal year for club officers, coaches, team managers and referees. A background check on an individual is valid for two years. Nine (9) individuals were disqualified from participating.

Compliance is built into the travel and rec-plus side due to checks associated with game rosters etc. The rec side does not have these built-in checks. However, compliance is equally required, and we urge each club to utilize this service. Please note that there is no additional charge associated with background checks as this cost is part of the player registration fees.

**Concussion Awareness and Education** -Concussion Awareness training is available from the CDC and can be accessed through coach and manager accounts in Gotsport. All coaches, managers, club personnel and referees must get this training.

**Insurance** - The state office oversees the administration of the Directors & Officers insurance, liability insurance, and secondary medical insurance coverage for the membership. Player's

Health is the agent that provided the insurance for the youth players, and AGA currently provides the insurance for adult players.

**Inclusion in Indiana Soccer’s IRS Group Ruling**

- Indiana Soccer offers member organizations the opportunity to benefit from the 501(c)3 group ruling held by Indiana Soccer. Members are required to meet the minimum standards defined for use of this benefit.
- Currently 16 Indiana Soccer Affiliated and Allied Members receive inclusion in this group. No new clubs were added in 2022-2023. Five (5) clubs were dropped because some are no longer members, and some completed the process to get their own 501c3 status with the IRS.

**Meetings and Events**

- **Annual General Meeting and Workshops** - The 2023 Membership’s Annual General Meeting was held January 28, 2023, in-person. A quorum was represented with the twenty-five (25) member organizations that were present for the AGM meeting.
- **2023 Awards Gala** - The 2023 Awards Gala was held at the 502 East Event Center in Carmel, Indiana. This was the first in-person awards gala since 2020. In addition to the 2023 award recipients, the winners from 2022 were presented their awards on stage since there was gala in 2022.
