I would like to provide the following information for posting coaching openings on your website. We are growing and need some experienced coaches to develop our kids. Please post to your website when you can.

Komets FC (Mooresville, IN) is seeking experienced, licensed coaches for the 2024-25 seasonal year. With tryouts in June, we would like to get these positions filled as soon as possible. There are openings in U8 Academy through U19 Senior teams, that have a stipend with those positions. We are growing in numbers and need qualified coaches to join our program to provide the best possible learning environment for our kids that fosters development.

Coaches will be responsible for working with their selected age group, technical director, and DOC to foster this environment daily.

Please reach out to Director of Coaching: Mike Smith if interested. doc@kometsfc.org
