- (2) It is mandatory for all National League, Elite 64, Midwest Conference, Great Lakes Conference, and ISL Premier teams to apply for STATE Cup. Not all teams applying will be accepted into STATE Cup. Some teams will be placed in Presidents Cup during the team seeding process. During the application process, all teams will be given the opportunity to tell the selection committee where you desire to be placed even if you are a Midwest Conference, Great Lakes Conference, or ISL Premier team and had to apply to STATE Cup. Teams not playing in the National League, Elite 64, Midwest Conference, Great Lakes Conferences, or ISL Premier may apply for any cup provided they are in compliance with Rule 203, Section 1-3 listed above.
- (3) The TCC has the right to determine final team placement in the State Cup, Presidents Cup, or Challenge Cup.

Rule 204. FORFEITS FOR FAILURE TO COMPETE

- (2) Any team that withdraws after the brackets have been posted, but before the schedules have been officially published, shall forfeit its registration fee.
- (3) Any team that withdraws after the schedules have been officially published shall forfeit its registration fee and may be suspended from all Cup competitions for the following Cup year. The Club to which that team belongs to shall be fined \$500.00.

Section 2. Missing Games

- (1) Any team missing a particular game during any Cup event for any reason shall forfeit their entry fee, and the Club to which that team belongs shall be fined \$500.00. The game will be recorded as a forfeit.

Rule 205. PLAYER AND TEAM OFFICIAL ELIGIBILITY

Section 1. General

Each player and team official must have an approved Indiana Soccer player/coach pass. The pass must be signed by the State Registrar, contain the Indiana Soccer seal, contain a picture of the individual, and then be laminated on both sides.

Section 2. The State Cup

- (1) **Club Pass Players.** Teams may Club Pass players for State Cup competition. A Club Pass process is provided to clubs to designate these players. The Club Pass players must be designated by the roster freeze deadline. Once a player is club passed to a team, they may only participate with that team during that event stage.
- (2) **Transferred Players.** A transferred player is defined in Rule 101-25. Teams may not carry more than five (5) transferred players (previously registered with a different club) on their Official State Cup Roster. Teams with more than five (5) transferred players (previously registered with a different club) on their roster at the roster freeze date will be considered ineligible for State Cup play.

- (3) Players listed on the team's official Indiana Soccer State registration Roster as of the roster freeze date will be on the frozen event roster for cup unless the club submits changes prior to the freeze date/time that affect only the cup roster.

Section 3. The Presidents Cup and Challenge Cup

- (1) **Club Pass Players.** Teams may Club Pass players for Presidents and Challenge Cup competition. A Club Pass process is provided to clubs to designate these players. The Club Pass players must be designated by the roster freeze deadline. Once a player is club passed to a team, they may only participate with that team during that event stage.
- (2) **Transferred Players.** There is no limit on transferred players on a team's official Cup roster for the Presidents Cup or Challenge Cup.
- (3) Players listed on the team's official Indiana Soccer State registration Roster as of the roster freeze date will be on the frozen event roster for cup unless the club submits changes that affect the cup roster only prior to the freeze date/time.

Rule 206. BREACH OF RULES

Section 1. Investigations

The Cup Protest Committee is responsible for investigating and rendering a decision on a properly protested alleged violation immediately after receipt.

Failure of any team official, player, or parent to cooperate with that investigation or accept the decision of the Protest Committee may result in disciplinary action up to and including suspension.

Section 2. Disciplinary Actions

Any team found guilty of using an ineligible player will forfeit the game in which the ineligible player participated and is not eligible to compete further in the Cup competition in the current seasonal year. Other sanctions may also be taken against that player or team. Any coach, manager, or team official found guilty of knowingly using an ineligible player is not eligible to compete further in the Cup competitions in the current and subsequent seasonal year. A player found guilty of submitting falsified birth information is prohibited from competing further in the Cup competitions in the current and subsequent seasonal year. These violations may not be appealed.

Rule 207. PROTESTS AND APPEALS

Section 1. Protest

- (1) The Protest Committee. The Cup Director shall appoint the Protest Committee. The Cup Director, or a designated representative, shall serve as Chairperson. Protest Committee members will not participate in decisions involving or affecting players/teams from Clubs of which they are members.
- (2) Qualifications. All questions related to the qualifications of competitors, interpretation of rules, or any dispute or protest whatever, shall be in writing and be referred to the Cup Protest Committee, whose decisions shall be final.

- (3) **Protest Submission.** An official protest must be submitted in writing, by the team's Primary Coach as listed on the Team Event Roster. The protest can be submitted via email. For play-in games, the protest will be submitted to the Indiana Soccer State Office, ATTN: Cup Protest Committee, no later than 24 hours following the conclusion of the game being protested. For all other games, the protest will be submitted directly to the Cup Director, or a designated representative, within one (1) hour after the conclusion of the game being protested. Referee's judgment will not be a basis for protest.
- (4) **Protest Bond.** A \$350 bond must accompany all protests. Club check or cash will be accepted as payment. If the protest is upheld, the bond will be returned. If the protest is denied, the bond will be retained.
- (5) **Notifications/Procedure.** Upon receipt of an official protest, the Cup Director, or a designated representative at the Site location, will notify the Primary Coach of the teams involved that a protest has been filed. The Cup Director, or designated representative, will convene the Protest Committee as soon thereafter as is reasonably possible upon receipt of the protest. The Committee may elect to hear from any or all witnesses wishing to testify and may solicit such testimony from game officials, teams, and other witnesses. The Protest Committee will make its decision as soon as is reasonably possible after all the information is received. All decisions are to be made in accordance with these rules and the guidelines set forth in FIFA Laws of the Game, the USSF Administrative Handbook, and US Youth Soccer.
- (6) **Decisions.** The decisions of the Protest Committee shall be by a simple majority vote with the Cup Director, or designated representative, authorized to vote only in the event of a tie. At the conclusion, The Cup Director, or designated representative, will forward the decision of the Protest Committee to the Primary Coach of both teams. A copy of the decision will be kept on file at the Indiana Soccer State Office.

Section 2. Appeals

- (1) **Process.** Decisions of the Protest Committee may be appealed only to the TCC. An appeal must be made in writing and filed within 24 hours of receipt of the Protest Committee's decision accompanied by a \$500 bond fee. If the appeal is upheld, the bond will be returned.

- (1) Game Results will be posted on the Indiana Soccer web site within 48 hours of completion,
- (2) The Cup Director will issue a preliminary tournament report to the Cup Committee and the Indiana Soccer Executive Director within 45 days of the completion of the tournament. The final report will be issued approximately 60 days following the conclusion of the event.

Rule 209. RECORDING OF "SEND-OFFS"

Section 1. Administration

The TCC at each site maintains a record of all infractions that result in send-off's (red cards). This record is compiled from "Official Game Cards" completed and submitted by game referees.

Section 2. Retention of Player Cards

The Cup Committee no longer needs to retain passes for ejected players or team staff. Suspensions are now tracked electronically.

Section 3. Send-Offs

- (1) Any player or team official receiving a sendoff from a game shall be ineligible to participate in that team's next Cup game. At the discretion of the Cup Committee, the suspension could be increased and could result in more than a one game suspension. No substitution shall be permitted for a player who has been sent off in a particular game.
- (2) Send-offs will carry over from one Cup year to the next Cup year. If a player/team official received a sendoff or was dismissed from the last game of any of the previous year's Cup events, that player/team official must sit out their suspension starting with the first game of the current year's Cup games or at the first game of Regional competition if the team has advanced to the Regional level. This also applies to a sendoff received in the last game of regional or national play.
- (3) Player Send-Off's.
 - A. A player shown a red card (send-off) from a game must remain seated at the coach's side at all times during the remainder of the game. The coach will be responsible for the action(s) of the sent-off player.
 - B. If a sent-off player seated on the bench causes a disturbance, the player will be ejected from the site. The TCC may take action against the coach if the sent off player violates the spirit of this rule.
 - C. The player's official pass will not be held by the referee and turned into the tournament headquarters. The sendoff will be recorded on the game card and turned into the Cup Headquarters for records management of the suspension. The suspended player's name will be stricken out on the remaining event game rosters until the suspension has been served.
- (4) Team Official Send-Off's.
 - A. Team officials playing in the Cup competitions are expected to exhibit the highest level of sportsmanship.
 - B. A team official sent off from a game must completely leave the playing site area and cannot return to the playing field after the completion of the game. The term "playing site area" for the purpose of these Cup games is defined by the TCC as an area where the play cannot be seen or heard. A member of the Cup Committee or his designee at the playing site will escort the team official from the playing area.
 - C. The team official sent off is not allowed to have any contact with the team, in any form, for the remainder of the match. The team official sent off will not participate in coaching the team or providing any technical or tactical information in any visible or audible manner. This includes, but is not limited to, the use of any form of electronic means (i.e., cell phone, 2-way radio) or communication through a third party.
 - D. The team official that has been sent-off will serve a one game suspension (or more at the discretion of the TCC). The suspension must be served during the next cup game for that team. The official will not be allowed near the playing site area, as described above, during that game and will not be allowed to have contact with the team during the game.
 - E. **Any team official sent-off from a game will be assessed a \$250 fine and may be paid immediately at tournament headquarters. The CLUB will be responsible if not paid by the team official.**
 - F. The team official's pass will not be retained by the referee and turned into the tournament headquarters. The send-off will be recorded on the game card and turned into the Cup Headquarters for records management of the suspension. The suspended team official's name will be crossed out on the remaining event game rosters until the suspension has been served.

- G. **Any CLUB COACH sent-off will be fined \$500.00 and may be paid immediately at tournament headquarters. The CLUB will be responsible if not paid by the Club Coach.**

- H. A Club Coach (carded as an official club coach) who is sent-off will not be permitted to participate with any team in any way for the rest of the competition. (Example: a club coach sent off during the preliminary rounds could not return for the remainder of the preliminary rounds but could return for the finals. If the club coach is sent-off in the finals, they could not return for the duration of the finals competition.)

Section 4. Reporting

The Cup Director will forward to the appropriate Midwest Region Cup Director a list of all send-offs that must be served during the Midwest Region games for both the National Championship Series and Presidents Cup.

Section 5. Reviews

The TCC shall review each send-off to determine if additional penalties should be recommended to the Indiana Soccer Disciplinary Committee.

Rule 210. PASSES AND ROSTERS

Section 1. Player Passes

Players who do not have a proper player pass will NOT be allowed to participate in the event with the team.

Section 2. Team Official's Passes

There will be no more than four (4) team officials on the team side of the bench at any one time. Team officials who do not have a proper team official pass must receive authorization directly from the TCC. This authorization may be written or verbally communicated to the game referees. Team officials without a proper pass may be required to show a photo ID.

Section 3. Event and Game Rosters

The TCC will maintain a copy of the approved event roster for every team at headquarters. The TCC provides the game cards which contain the event roster. Teams will update the game card with the game roster prior to referees checking in the teams.

Rule 211. PLAYING RULES

Section 1. "Laws of the Game"

All Cup games shall be played in accordance with FIFA Laws of the Game, except as modified by USSF, US Youth Soccer, US Youth Soccer Midwest Region, and/or Indiana Soccer.

Section 2. Start Times

- (1) All games will start at the scheduled time.
 - A. The minimum number of players required to start a full-sided game is seven (7), one of whom shall be designated as the goalkeeper.

 - B. The minimum number of players required to start a small-sided game is six (6), one of whom shall be designated as the goalkeeper.

 - C. Any team with less than the minimum required number of players at the scheduled start time shall have their game declared a forfeit.

- (2) If extenuating circumstances develop while a team is traveling to the game site, and less than the required minimum number of players are available to start at the start time, the Cup Director, or his designated representative at a Preliminary Round site, may grant an extended grace period. As soon as the minimum number of players has arrived, the game shall start. In no case will the grace period extend beyond 30 minutes from the originally scheduled start time, unless mutually agreed to by the home team, the visiting team, and the Cup Director. Should the team not arrive by the mutually agreed adjusted time, the team requesting the delay will forfeit the game.

Section 3. Age Groups

Except as otherwise provided, the length of the game, overtime play periods (play-ins, semi-finals, and finals), and ball size for each age group shall be as follows:

Age Group	Game Length	Halftime	Overtime Play	Size
17U/19U	2 x 45 min halves	10 min	2 x 15 min periods	#5
15U/16U	2 x 40 min halves	10 min	2 x 15 min periods	#5
13U/14U	2 x 35 min halves	10 min	2 x 10 min periods	#5
11U/12U	2 x 30 min halves	10 min	2 x 10 min periods	#4

Section 4. Ties after Regulation Play

- (1) Play-in games will not end in a tie. If the game is tied at the end of regulation play, the game will continue with overtime play in accordance with Section 3 of this Rule. If the game remains tied after the end of the second overtime period, FIFA “penalty kicks” rules will apply to determine the winner.
- (2) In Preliminary Round play, if the game is tied at the end of regulation play, the game will stand as a tie.
- (3) Semi-final/final games will not end in a tie. In the Semi-Finals, if the game is tied after regulation play, the game will continue with overtime play in accordance with Section 3 of this Rule. If the game remains tied after overtime play, FIFA “penalty kicks” Rules will apply to determine the winner.

Section 5. Penalty Kicks

When taking FIFA “Penalty Kicks” the following procedures will apply:

- (1) Each team shall select five (5) players to kick from the players on the field at the conclusion of the overtime play period. When a team finishes the match with a greater number of players than their opponents, they shall reduce their number to equate with that of their opponents and inform the referee of the name and number of each player excluded. The team captain has this responsibility.
- (2) The referee tosses a coin and the team whose captain wins the toss can choose to either kick or receive.
- (3) Teams shall alternate kicks.
- (4) If, before both teams have taken five (5) kicks, one team has scored more goals than the other team could, even if it were to complete its five kicks, taking kicks shall cease and the score reported.
- (5) If, after both teams have taken five (5) kicks, both have scored the same number of goals or have not scored any goals, the taking of kicks shall continue, in the same order, until such time as both teams have taken an equal number of kicks, and one team has scored a goal more than the other.
- (6) Each kick is taken by a different player, and all eligible players must take a kick before any player can take a second kick.

Section 6. Unfinished Games

Unfinished games due to any cause shall be replayed in their entirety if neither team is at fault and play has not begun in the second half. If play is stopped during the second half and play cannot be resumed and if neither team is at fault, the TCC may deem the game complete. However, if play is stopped at any time due to one of the teams being at fault, it shall be at the discretion of the TCC whether the game is to be replayed or declared a forfeit. Games that must be played to determine the outcome of a bracket will be given scheduling priority over games that have no bearing on the outcome of a bracket.

Section 7. Coaching Limitations and Dissent

- (1) One team official at a time may convey tactical instructions to the players during the match. All team officials must remain within the confines of the technical area. They must behave in a responsible manner. No team official or spectator is allowed behind the goal during a game. The technical area is limited to players and no more than four (4) team officials.
- (2) There shall be no dissent between players/team officials and the referee. Questioning the referee is considered dissent. Team officials are expected to solicit the support of their fans in monitoring this policy. Field Marshals and tournament officials are authorized to have unruly spectators removed from the playing area.

Section 8. Home Team

The team listed first shall always be the Home Team. The team listed as the Home Team will wear light jerseys. The team listed as the Visitor will wear dark jerseys. If a conflict should arise, the inappropriately dressed team will change or forfeit.

Section 9. Scores and Standings

- (1) The standing of teams within brackets is based upon the number of points earned in qualifying games. Teams earn points as follows:
 - Three (3) points for a win (including forfeits)
 - One (1) point for a tie, and
 - Zero (0) points for a loss
- (2) In the event of a forfeited game, the team forfeiting the game will not be allowed to advance out of their group to the semi-finals. The team declared the winner of a forfeited game shall receive three (3) points for the win and a score of 4-0. No other scoring points will be awarded. All games previously played against the forfeiting team shall be re-scored 4-0 with 3 points awarded for the win; all remaining games to be played against the forfeiting team will be scored in the same manner.

Section 10. Tie Breakers

- (1) If two or more teams are tied, the tiebreaker sequence below will be followed until the tie is clearly broken. At any point where a team is eliminated after a particular tiebreaker is applied to all teams, and two or more teams still remain tied, the remaining tied teams will then restart at point "1" in the sequence below, until the tie is broken.
- (2) The tiebreaker rules for determining standings at the end of the Preliminary Rounds will be:
 1. Winner of head-to-head competition (this criterion will not be used if more than two teams are tied).
 2. Winner of most games.
 3. Goal differential (goals scored minus goals against) with a maximum differential of four (4) goals per game.
 4. Goals scored for (with a maximum of 4 goals per game).
 5. Fewest goals allowed.
 6. To determine bracket winners, tied teams will use penalty kicks to determine who advances.

- (3) To determine WILDCARD winners, tied teams from the same bracket will use FIFA penalty kicks (Rule 211, Section 5) to determine who advances. Tied teams from different brackets will be scheduled a separate game to be played at a mutually agreeable date and time. The teams will have 48 hours after the conclusion of their preliminary round games to agree on a date. If the teams fail to agree on a date, the TCC will select the date and time. The TCC will determine the location. (Rationale – teams in the same bracket have already played to a tie, penalty kicks will determine the winner. Teams from different brackets have not yet played head-to-head.)
- (4) If at any time, in any division, for any cup, a wildcard team needs to be determined and the division brackets are not even (meaning teams did not all play the same number of preliminary round games), the results will be doubled for the remaining 2 teams in a bracket after the bracket winner is advanced. This will give the 2nd best bracket team a 3rd result and make them equally eligible for the wildcard option.

Section 11. Substitutions

All games shall be played with the substitution rules outlined in the FIFA Laws of the game with the exceptions outlined below:

- (1) Exceptions for State Cup -
 - A. For 13U-14U games, unlimited substitutions shall be allowed; and
 - B. For 15U-17U and 19U games, a maximum of seven (7) substitutions for each team shall be allowed in each game during each half of play and during overtime play. After leaving the game during a half of play, the substituted player may not re-enter the game during the same half of play. After leaving the game during overtime play, the substituted player may not re-enter the game.
 - C. If a player is suspected of suffering a head injury, they may be substituted for evaluation without the substitutions counting against the team's total number of allowed substitutions during each half or overtime period. If the player with the suspected head injury has received clearance from the event's health care professional, the player may re-enter at any stoppage of play. The evaluated player must replace the original substitute and will not count as a substitution. The temporary substituted player may re-enter the game as a regular substitution. A team may only make a temporary substitution if they have a substitution available. Should the temporary substitute receive a red card, that player will be removed from the game and the team will play a player down. If the player being evaluated is cleared after the red card, they would be eligible to return to play as provided by the substitution rules based on the age group.
- (2) Exceptions – Presidents Cup and Challenge Cup: All Games.
 - A. If the referee dismisses a goalkeeper, the referee may allow the team to replace the goalkeeper with another player. The team must still play short with another player leaving the field of play.
 - B. Substitutions shall be unlimited with the consent of the referee at the following times:
 - Prior to a throw-in in your team's favor (If the team in possession is subbing, then both teams may sub)
 - Prior to a goal kick by either team
 - After any goal
 - At half-time
 - At half-time of any overtime period
 - C. If a player is suspected of suffering a head injury, they must be substituted for evaluation by the event's health care professional. If the player with the suspected head injury has received clearance from the event's health care professional, the player may re-enter the game.

Rule 212. REFEREE ADMINISTRATION

Section 1. The SRA/SYRA

The State Referee Administrator (SRA), State Youth Referee Administrator (SYRA), or their designee is responsible for obtaining, training, scheduling, and assessing game officials.

Section 2. Conflict of Interest

Any referee appointed to officiate in a Cup competition shall not be a present member or related to a member of either of the competing teams or clubs.

Section 3. Referee Responsibilities

The duties of the referee and assistant referee are as defined in the "Laws of the Game."

Section 4. Non-Performance of a Referee

In the event the appointed referee fails to appear, the SRA/SYRA, or their designee will provide replacement referees. At no time will a two-person referee system be allowed.

Rule 213. OFFICIAL GAME CARD**Section 1. Completion**

The official records of tournament games are the game cards provided by the TCC and filled out by the game referees and retained by the Cup Director. Indiana Soccer and the TCC, in consultation with the Referee Committee, will establish the format and content of the card.
