

## **Indiana Soccer Competition Book of Reports, Spring 2025 – Fall 2025**

USYS E64 and E64 RL (club v club competitions) have been renamed to National League Club-Based P1 & P2, some of the teams who would traditionally play in ISL Premier or 1<sup>st</sup> division are playing there.

We now have one registration link for all 8U & 10U teams in the state. We have combined ISL & CNC for the central part of the state, dividing them into north and south to help minimize travel. I still work to get some of the remote clubs on a home date, and Jake Satchwell continues to do a great job in scheduling the host dates.

### **Indiana Soccer Small-Sided Referee Certification**

The Indiana Soccer Small-Sided Referee Certification has been rolled into the Federation's referee licensing. We are still working with clubs to host training sites. We are also trying to establish referee mentors for each club to assist in the training and transition for new referees.
