Beginning with the 2026 Cup season, we will be eliminating the 18U age group in Presidents and State Cups and just have 19U. We will be adding 19U to the Challenge Cup as well.

New for the 2026 Cup year, USYS has eliminated Regionals for the National Champions Cup Series and State Cup champions go straight to Nationals. USYS has created two separate groups, each ending with a National Championship. There is a Super Group with 22 state champions plus 10 USYS National League representatives and a Premier Group with 32 state champions. Previous years' results were used to decide which states

were placed in each group. Indiana girls will be participating in the Super Group and play in Murfreesboro & Smyrna, Tennessee while the boys will be participating in their Super Group and play in Salt Lake City & Provo, Utah.

The USYS National Presidents Cup Committee has created eight Presidents Cup Qualifier events. The qualifier events' champions will qualify for Presidents Cup Nationals.
